# Parent Teacher Association

Throughout the year we run events to raise money for the school. We rely on your support during these and we put use the money to provide extra experiences for children at school. If you are interesting in volunteering and helping at any upcoming events please speak to me at the end of the session.

# PARENT GOVERNOR

We currently have vacancies for parental governors. The role of a governor is really important as it allows you insight into the workings of the school. You can support the school by giving us a parents perspective of the school during 4 meetings in the school year. If you would like more information please see Miss Caine.
